This matter is before the court for case management. On January 2, 2015, the court ordered Petitioner to file an amended petition for writ of habeas corpus by March 2, 2015. To date, Petitioner has not filed an amended petition. On the court's own motion, Petitioner will be given an additional 30 days in which to file an amended petition for writ of habeas corpus that presents all of his claims for relief. Failure to do so may result in the court dismissing this case based on Petitioner's failure to diligently prosecute it.

IT IS THEREFORE ORDERED that: Petitioner must file an amended petition for writ of habeas corpus within 30 days. The clerk's office is directed to set a pro se case management deadline in this matter: May 1, 2015: deadline for Petitioner to file amended petition.

DATED this 30th day of March, 2015.

BY THE COURT:

s/ Joseph F. Bataillon  
Senior United States District Judge
